702 - Casa Florenças

The house Casa Florenças is located on the south-east of the island in the parish of Calheta, 30 minutes away from Madeira's international airport, 10 minutes (5 km) from Vila da Calheta beach and 10 minutes (5 km) from Paul da Serra. Calheta is surrounded by giant stone rocks of the coast. The name Calheta relates to the cultivation of sugar cane. One old sugar cane mill, built in 1901, exists until today and still produces Aguardente (sugar cane firewater) and mel de cana (molasses).
